RE: FIRE PREVENTION WEEK KICK-OFF

The Fire Instructors and Officers Association of NH and the Manchester Fire Department Fire Prevention Bureau are pleased to announce that we are joining forces to combine the NH 9-11 Memorial Stair Climb and the MFD's annual Fire Prevention Week Kick-Off on **October 6, 2013** at 1000 Elm Street in Manchester.

The 3rd Annual NH 9-11 Memorial Stair Climb offers 343 local firefighters and non-firefighters alike the opportunity to commemorate the 12th anniversary of the September 11th attack on the World Trade Center by repeating the footsteps of our **343 fallen FDNY Brothers** in climbing 110 stories. Please join us at this special event to show each other and the rest of the world that the sacrifice made by fellow firefighters will never be forgotten!

100% of registration fees will go to the National Fallen Firefighters Foundation.

Please visit www.nh9-11stairclimb.org for more details and registration.

Please join the MFD for the 59th annual kick-off to Fire Prevention Week in New Hampshire. There will be a static display of fire apparatus as well as fire prevention activities, children's events, firematic flea market, food, and more! Coffee and donuts will be provided to start the morning. Please note: there will be no parade or muster this year.

*Please see the attached Registration Form for more details on
The Apparatus Display & Firematic Flea Market.*
